

Welcome to the Christmas edition of the BAC Ladies Hockey Club Newsletter!!

I will keep it short and simple to enable you all to get on and enjoy your festivities!

I would like to thank the BAC Social Committee Katie, Lisa, Liz and Beezy for their superb effort in arranging the best BAC Christmas do of all time and thanks to Andrew for being the quizmaster and DJ for the night.

What a night it was (that I can remember) 42 of us turned up for a cracking night, Some amazing Christmas jumpers were donned and marvelled at with Coxy was crowned the supreme Christmas Jumper person whilst Flo for not making the slightest bit of effort was Bah Humbugged!

Team Welsh won the Quiz.....enough said about that!!

The night was topped off by possibly my favourite ever BAC moment when BAC 2's took to the stage and sang us their version of do they know it's Christmas. I congratulate you girls for a job very well done. For those of you who were not there to see it a) why not?? and b) you can view it on our BAC Facebook page.

I have to say, THE CLUB camaraderie this season is exactly what we as a committee have been working towards for the last few years, not only was great to see everyone out for the Christmas do, but greater still are the numbers turning up for training and the hockey we are playing. Both teams are doing well in their leagues and I for one am proud of us for keeping the BAC spirit alive. No more them and us, now it is simply US. Let's keep all this up and shine in 2013, good luck to both teams in the New Year!!

One last thing to say is from me and the rest of the committee is a very Merry Christmas and A Happy New Year.

Have Fun
