## CAPTAINS BLOG

I've dragged myself away from compiling the Christmas Party Quiz as this month's blog is the perfect opportunity to remind (and warn) you of the horrors that can result from drinking with BAC. A few weeks back some of you may recall attending "Beezy's Big Night Out" - for those that didn't make it (and those that have chosen not to remember) here's a little report.

Is that ginger beer?

The BAC Limo dropped me off at around 8pm and I ventured in to find the party had very much begun. More disturbing was the fact that most of the "ladies" present were sporting moustaches. Now I did "Movember" last year (and despite appearances managed to avoid joining the sex-offender register) so I'm aware of it's connection in funding research into "Men's problems". However it rapidly became clear that when BAC ladies don moustaches, rather

Kay hoped nobody noticed she trumped...

than encouraging testicular research it actually causes them to GO nuts. Fortunately I was not the only unfortunate male caught in the crossfire as Chris V (aka Twit-2) was also in attendance, so we kept our heads down and hoped for the best. In the end it turned out to be a most convivial evening. No doubt profits are up at the bar in question, but other lessons were learned. One of the most astonishing facts to emerge is that Sophie (our oh-so-shy Second Team Captain) is not necessarily the least demure of the Newton Sisters. I have a number of truly incriminating photos of the evening, but I will save those for a special occasion.

The old sniff my finger joke never fails...

So back to the quiz I go. I hope you're all brushing up on interesting facts in preparation, so make sure you've got yourselves into teams in advance. Fortunately for some there's no kit requirement (apart from a christmas jumper) for the quiz so there's little danger of turning up with the wrong socks.

## CHRISTMAS DO

Fire Hazard!!!

A quick reminder that the hockey Christmas do is on Saturday 15th December at the Parkway (where we have teas)!!

There is a rmour of a disco so get ready for a dance off, I hear Tapper is quite the break dancer.

DO NOT FORGET the CHRISTMAS JUMPER dress code.... Hammy has her's, do you have your's?

If you have not paid yet please see Katie W , Beezy, Liz or Lisa!!

## BAC PLAYERS SPOTTED ON TV

What do we really know about our fellow team mates?? What do they do when they are not playing hockey? It has recently come to my attention that many BAC players both past and present can be seen on tv!!

Spotted players are:

Fran Lennard  
Strictly come dancing

Liz Gaze  
Top of the Pops 2

Natalie Eccles  
NCIS

## COMMENT OF THE MONTH

Well, we are a bit thin on the ground on comments of the month this month; this is due to Lisa taking a vow of silence.

But I have this and it is in keeping(ish) with the theme. Let me set the scene Katie Wooller joined the 1st team in February; on her first game she had the wrong socks and no skirt. After that she declared that she took all kit, including all socks, with her to every game. However a few weeks ago, Katie got the sock colour wrong again (getting her the dick of the day award) despite carting around all that kit. The following week, she showed Captain Tinny & Miami Vice Sally, that she now has all colour socks and will be prepared, which is great, but all Tinny & Sally could see was that Katie Wooller has her name sewn in her socks! Bless.

Say cheeeese!!

If you hear your team mates say something that is worthy of publically humiliating them, then please let me know!

## NEW TWIT!

A gameshow is missing its host

Our popularity on Twitter is increasing, even our oppositions are re tweeting and looking forward to the live feeds!!

We also have a new Tweeter Chirs Verrell who can be seen standing in all weather conditions to give us live tweets from the 2nd Team matches as Andrew does for the 1st Team. Keep up the good work boys!!

## STILL THE BEST

We are still hosting the best teas!! Although, the 2nd team have reported that Lydney 2 are a serious contender with their offering of Sausage Casserole chips and bread...mmmmm!! West berries 3rd are not the worst, but maybe the oddest, they served the 2nd's up little pink bottom holes.(thanks to Coxy for proving the point)!

The recent offerings from The Parkway have been big slices of pizza and those \*sallyvates\* delightful wedges!! Yum!

There was a rumour that Ceri had stale cheese on her jacket pot and beans, but we have ignored it and called it stilton.

Please keep me updated with the best and the worst with photos.

There are no words..
