September 2013

NEW SEASON

The 2013/2014 season is here!!

What a start we have had, we bullied off the season with a successful club day, a boozy start of season do and several friendlies to get us ready for the season (for full friendly match reports please visit our website <http://www.baclhc.co.uk/>)

We have also had a few newbies join this season they are:

Marie Davis – (nickname sat nav), Mirna Al-Khouri and Paige Hayward, please make them all very welcome.

You will by now have seen Andrews e mail about commitment so I won't harp on, but please do take on board what he said.

Here's to an awesome season for BAC Ladies hockey club!
BRING IT ON!!!!

START OF SEASON DO

Wow, what an impressive array of dressing uppers we have at BAC, good work to all you guys and gals who made a supreme effort for our start of season do at Stapleton Cricket Clubs beer festival. A little snap shot of the nights events are captured below, enjoy!

TRAINING

The winter league is now under way and all is still to play for.

With this in mind can we ask that those of you who do not have other Tuesday night commitments to make the effort to come to training on a Tuesday night?

Training together as a club helps promote the one club mantra that we are following and training as a team can prove very valuable come Saturday match time.

If you don't think you get anything out of training or there are any area's you would like Doug to focus on then speak to your captains who will sort this out.

NEW PLAYERS

We are, as always, on the lookout for new players to come and join this mighty hockey club to help with this, we will shortly be handing out some posters for you to pin up where you can and where you think hockey players without clubs hang out.

We are also in the process of sorting a child protection policy and officer for the club, so that we can look to getting in some younger players to protect the future of this club.

A flyer drop will also be happening soon, more details of this will follow.

COMMENT OF THE MONTH

That's right, be aware be very aware '**comment of the month**' is back.

Please let me know as soon as your fellow team mates mess up and say something they instantly regret. I will then share with everyone.

This months is courtesy of our coach Doug at training to all of us:

'We are not ready to go all the way yet'

We were all very mature when hearing this. *stiffles giggle*

UMPIRES

Gentle reminder that no matter whether we agree or disagree with the decision our friends in yellow make, we are to keep our lips firmly sealed!

Let's see if we can get through the season and be congratulated on being nice, remember when you are wearing the kit you're representing the club as a whole, not just yourself!!

Multitasking

MONEY MONEY MONEY

The start of the season means it's time to crack open those piggy banks, hunt down those cheque books and re-mortgage your house because it's time to pay your annual subs to Maz.

Annual subs are £100 for the season, you can pay in a variety of different ways (all involve money, subs cannot be paid with anything else), please contact Maz who will give you more information.

PAINTBALLING

Social secretary Becky is looking to arrange a BAC paintballing session, she will be sending around details shortly.

I think it may well be way of Becky getting back at us for pelting her with hockey balls at training.

You have been warned.

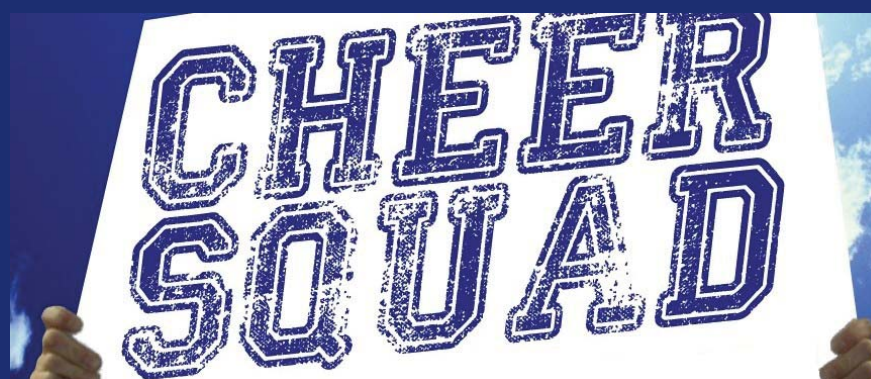

BAC prepare for the Jaspers fixture

SUPPORT

You can see from the fixtures below that there will be a couple of opportunities in October for us to go along to each other's matches for a spot of cheerleading & support.

Please make the effort if you are able to.
