CHRISTMAS DO

The Christmas 70's Disco party is booked!!!

The date is Sat 7th December from 7:30 until 11:30pm

The idea is to have a quiz and disco like last year, but with a buffet instead of a sit down meal. The bar will be open for the length of the party. Might be wise to bring cash in case they don't cater for card payments.

There is a disco theme, so brush off those white tux's, unpack those roller boots and come and get your groove on!!

There will also be a quiz again, please do not let the Welsh lot win again.

The cost is £10 per person, can you please pass to Becky at training or to your captains at your matches.

The venue is:

The Hungerford Community Centre & Social Club,
Hungerford Road,
Brislington,
Bristol,
BS4 5EX

Please respond to [Becky rklewis@hotmail.co.uk](mailto:Becky.rklewis@hotmail.co.uk) and let her know either way if you are coming or not.

INJURY CORNER

This month's injuries of note goes firstly to Beezy, unfortunately Beezy's foot was on the receiving end of one of Leanne's mighty strikes of the ball!!! Ouuuffff!!

Secondly, Jo and her foot (spotting a theme?) which is 10 times its normal size after being hit in the pre match warm up by Hammy! Jo was brave and played for 50 mins before succumbing to the pain! *winces*

Just after impact....

One week after impact!!

It now floats in water!

One week after impact!!

BEST MOTM PRIZE OF THE MONTH

The best MOTM prize for the first team this month goes to Tinny, winning Lionel Ritchie's 'Dancing on the Ceiling' EP for her efforts in the BAC v Westberries2 game on the 16th November.

She played it all night long.....all night

The 2nd team don't have any 'dodgy prize' images for this month, but they do have this, I am calling this the best chuffed face MOTM winner of the month! Well done Thelma!

CHHHHHHEEESE

FRIENDLIES

To avoid a tremendously long 6 week break over Christmas I have lovingly booked both teams a few friendly fixtures in December and January (please see fixture and results below) to help us all keep our hockey juices flowing over the festive break.

Can I please ask that you try where you can to make yourself available for these fixtures? Not only do they give us opportunity as a club to play teams we wouldn't ordinarily be playing and help us maintain a decent level of hockey for when the league re-starts in January but you can also use it as a way of eating & drinking more this yuletide!
